WHAT TO BRING:

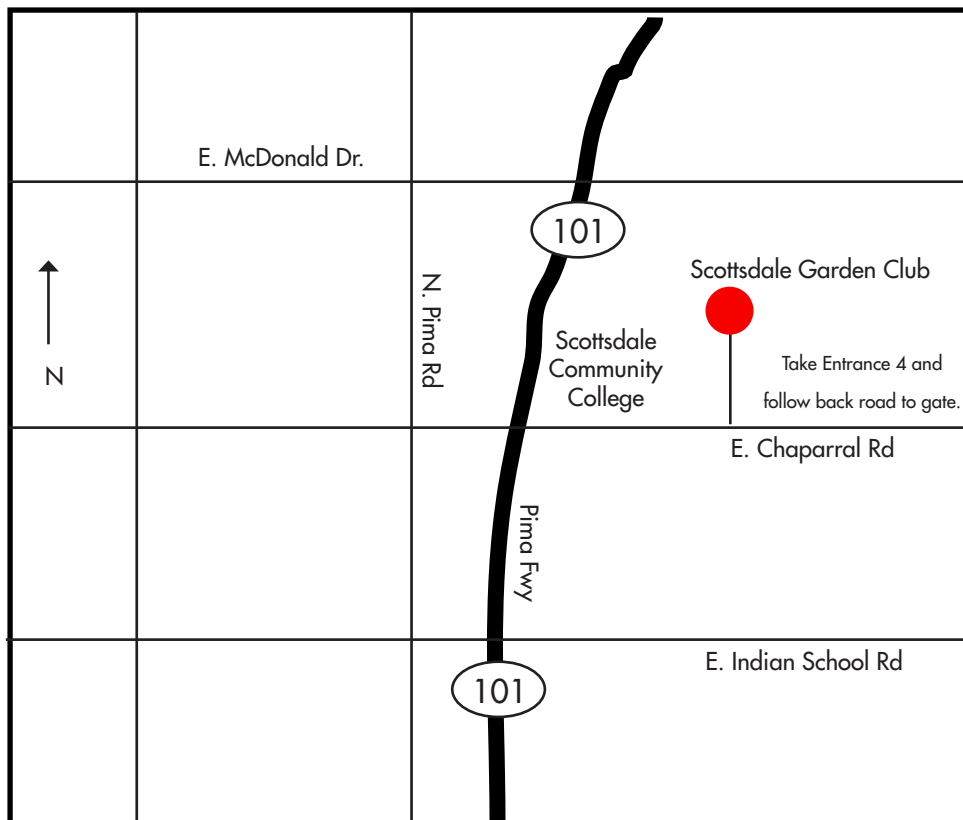

- Water
- Hat
- Sunscreen
- Closed-toe Shoes
- Gloves
- Bag to bring home fresh organic veggies — what's available to harvest will change throughout the year depending on the season

CONTACT AT THE GARDEN:

- Kim Melillo - 480-213-5500, email kkmelillo@cox.net
- Join Hope Grows Garden new Facebook Group!

Scottsdale Community Garden Club
(Northeast corner of Scottsdale Community College campus)
9000 E. Chaparral Road,
Scottsdale, AZ

Take the Chaparral exit off of the 101 Freeway.
Go East and take the last entrance, Entrance 4 into Scottsdale Community College.
Make a quick right, and then follow the back road until you come to the gate that leads you onto a dirt road and into the Community Garden.
Hope Grows Garden is the plot in the southeast corner of the garden club.
So, follow the dirt road until you come to the sign for the garden club and make a left.
Continue on that road to the dead end, and you will see a white picket fence.
